BIKE NUMBERS

Nutbuster - Numbers will be given for the front number boards.

RACE/CLASS FORMAT – Nutbuster

Classes will be Gold, Silver, Bronze, Ladies and Junior

The Nutbuster is an extreme Enduro, designed to pit man and machine against the elements and by its nature will not be easy, however we have designed the course to be cruel but fair. Choosing the right class for your skill level and fitness is essential for your enjoyment of the event.

Bronze/Ladies – Competent trail riders. Course difficulty will be similar to an Enduro deviation at a trail ride with some slightly harder sections. A keen attitude, well prepared bike and camelback will make your day easier. Work together with a mate, to get around the course, recommended for the less experienced riders. Ladies will ride this course.

Silver – Competitive and semi-competitive riders. A step up in difficulty and distance from Bronze. Silver riders will require a good level of bike skill and fitness to get to the finish. Must be confident with log crossings, hill climbs and bulldogging on downhills. Experience at previous Enduros will be beneficial but not essential. Some pushing may be required so keep onside with other riders so you can help each other when the going gets tough.

Gold – A course designed to test the Country's best riders. Again, not impossible but definitely difficult. Long hill climbs and extreme downhills.

Junior Riders will be permitted to ride the bronze track with a 'support rider'. This support rider will be expected to remain with their junior throughout the event. Junior riders at the discretion of the Event Organizer can ride Silver Class.

Overall Trophy

The trophy will be awarded to the winner of Gold
You must provide GPS confirmation of the course ridden. Only Garmin GPS units will be accepted by the organizer. If you are unsure please give us a call. Riders must have their GPS unit set on track and record setting.

Expect 5-7 hours of the toughest riding you will do this year. Prepare your bike – good tyres essential, tool kit and bike protection recommended. Marshals will be circulating to help out when needed. You must compete on the same bike for both events. Questions – phone Mark 0274 943473

START

Nutbuster start will be based on last year's placing.
